

Nourish Weddings

INSPIRED FUNCTIONS.....

Stress-free and well organized, you'll be able to relax knowing everything is being taken care of with professionalism and attention to detail.

Your special day is a time for celebration with family and friends and we believe every wedding deserves to be marked in style. We have a beautiful venue at Nourish, a fabulous indoor/outdoor flow with seating under the grapevines for the summer and a spectacular open fireplace for winter functions. We specialise in boutique weddings for groups of up to 60 (seated) and also offer packages for larger groups with serving options outside the traditional choices.

INSPIRED CATERING.....

Delicious wedding menus designed for your own special day are served on-site or at a place of your choice. Sit down dinners to cocktail party finger food are all a speciality. Our Fork Food is another great option for larger groups - small dishes of delicious, creative food is circulated by staff throughout the night.

Served in a variety of vessels - noodle boxes, vintage glass jars or bamboo bowls with chopsticks or wooden forks - combine the canapes and fork food as a great menu option for those of you who want to mix and mingle.
